(It's difficult to read the family with which John Zaworski lived, without having the microfilm now as I type. It looks like: WA R/H? LOSK, Frank (29), wife Paraska (25) & children: John (3), Mary (2), Annie (4/12).)

\*The PA, in this column, means that the individual filed his first papers. Sometimes, it's difficult to distinguish the lettering "NA" and "PA". As I may have errors, please refer to the actual census information sheets
